

Ultimate Comfort Smart

P N E U M A T I C

S M A R T Q U A L I T Y

Comfort and Quality

The patient chair is electric driven.
An ergonomic chair height guarantees easy access.
The water unit has a self-contained clean water system. The multifunctional foot pedal control system is easy to use and supports an excellent workflow.

The unit has a memory-system:

- spittoon position
- last position
- light off / light on
- instrument water on/off

The Ultimate Comfort Smart is outstandingly ergonomic and efficient for the daily use.
